

All Action members are requested to renew your IKON pass with Ski.com

[**Note:** even if you did not purchase your IKON pass from Ski.com last year, all Action Members are requested to renew or purchase their IKON pass via SKI.COM website. The more Action members purchase their IKON pass via SKI.COM, the more discounts will be applied to the ski trips that Action is planning for next season, thereby passing these savings back to our members. Cost of IKON pass (new or renewal) is the same on ski.com. Action recommends our members to purchase travel insurance or in this case add IKON pass protection (available option on ski.com), should you be unable to go to the mountains next winter season]
